Re: Notice of Intention to Commence Small Mining Operations, Gypsy & Gary Claims,
S/001/032, Beaver County, Utah

Dear Ms. Pack:

Thank you for forwarding the Notice of Intention to Commence Small Mining Operations for Gary L. Applegate's, Gypsy & Gary Claims Project, located in Sections 19, 30 and 31, T28S, R11W, Beaver County, Utah. Your agency's designated number for this project is UTU-72233.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intent for completeness. The Notice meets the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

You may want to inform the operator to document the pre-existing disturbance with photos to determine those areas he would not want to be held accountable for at reclamation. Also those pre-existing areas should be documented on a map. If the operator provided you with such documentation, we would appreciate a copy of same.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/001/032 when forwarding additional information on this project to us.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
